### **PSF Fellow Statement of Recognition**

To whom it may concern,

This letter affirms that Fabio Pliger was nominated for PSF membership in 2011, and subsequently recognized as a PSF Fellow in 2014, on the following basis:

*Fabio Pliger has been formally recognized as a Fellow of the Python Software Foundation, due to his significant contributions to the Python community as a co-founder of the PyCon Italia regional Python conference, a lead organizer for the 2011 and 2012 editions of the European Python community's flagship Python conference, EuroPython, and as a long term contributor to international collaborative efforts amongst the European Python community.*

Sincerely,

Nicholas Coghlan

Director  
Python Software Foundation
