# PyConIndia 2010 Sponsorship Prospectus

The Indian Python Software Society(IPSS) and the PyCon India organizing committee are happy to announce the second PyCon India. The conference will be held at MSRIT, Bangalore on 25th and 26th September 2010.

Your sponsorship helps keep PyCon India affordable and accessible to the widest possible audience. The conference is the largest Python Software developers conference in India. The IPSS is a non-profit organization established to promote the use of Python programming language and conducting the annual conference.

PyCon India 2010 will bring together Python developers and enthusiasts of various backgrounds. The PyCon India organizers and the IPSS rely on corporate sponsors for funding. By sponsoring the conference your organization will be better connected to the Python community in India.
